

NOTICE OF SUBMISSION
HIGHWAY 417 BRIDGE REHABILITATIONS
FROM WEST OF MAITLAND AVENUE TO EAST OF ISLAND PARK DRIVE
CONTRACT NO. 1
DETAIL DESIGN, G.W.P. 4058-01-00

THE PROJECT

The Ontario Ministry of Transportation has retained McCormick Rankin Corporation to undertake the detail design for the rehabilitation of bridges located along Highway 417 from west of Maitland Avenue to east of Island Park Drive, in the City of Ottawa.

KEY MAP

MAP B
TEMPORARY CONSTRUCTION
STAGING AREA

This project is divided into two separate contracts, Contracts No. 1 and 2. The final improvement designs for Contract No. 1 include the replacement of the Island Park Drive Bridges using rapid replacement technology. Rapid replacement technology is a construction staging technique where a new structure is being constructed in an enclosed area adjacent to the highway/structure. The existing structure will be removed, and the new structure placed using heavy lift equipment. Associated works for Contract No. 1 include establishing a temporary enclosed construction staging area in Hampton Park, construction of the new bridge decks, removal of the existing bridges, placement of the new bridges, demolition of the existing bridges within the staging area, and site restoration of the staging area to preconstruction condition. This staging area will be used for only one construction season and only for the Island Park Bridges. A Public Involvement Centre (PIC) for Contract 1 was held on September 12, 2006, at which the 90% completed detail design was presented.

THE PROCESS

The overall project followed the approved planning process for Group "B" projects under the *Class Environmental (Class EA) Assessment for Provincial Transportation Facilities* (2000). A Design and Construction Report for Contract No. 1 has been completed and will be available on October 16, 2006 for a 30-day public review period. The DCR is available for review at the following locations during regular business hours or on the project website at www.417queenswaybridges.ca:

<p>Ottawa Public Library – Rosemount Branch 18 Rosemount Avenue Ottawa, ON K1Y 1P4 Monday – Thursday: 10:00 a.m. – 8:00 p.m. Friday: 1:00 p.m. to 6:00 p.m. Saturday: 10:00 a.m. to 5:00 p.m.</p>	<p>City of Ottawa City Hall Client Service Centre 110 Laurier Avenue West Ottawa, ON K1P 1J1 Monday to Friday: 8:30 a.m. to 4:30 p.m.</p>
<p>Ministry of the Environment Ottawa District Office 2430 Don Reid Drive Ottawa ON K1H 1E1 Monday to Friday: 8:30 a.m. to 5:00 p.m.</p>	<p>Ministry of Transportation Ottawa Area Office 530 Tremblay Road Ottawa, ON K1G 0E4 Monday to Friday: 9:30 a.m. to 4:30 p.m.</p>

Interested persons are encouraged to review this document and provide comments by November 16, 2006. The Ministry's consultants and staff will address any comments or questions you have on the final document. The Transportation Environmental Study Report (TESR) was filed in December 2004, and received environmental clearance in July 2005. Upon completion of the public review period the project for Contract No. 1 will be considered to have met the requirements for the Class EA.
